

# WINE TRAY

TR113

***Our Wine Tray  
is a shelf in itself and offers  
a tidy exposure providing  
the product & brand all the  
attention it deserves!***

The wine tray is a returnable One Touch Merchandising Solution, suitable to hold a range of wine bottles.

It allows for High Visibility, placing the product in focus at all times and allows for maximum branding. The Wine Tray allows you to reduce expensive packaging material and waste handling costs, and is a shelf in itself providing a tidy exposure.

The Tray is stable and safe without any wrap around material required.
